John McCormack's Records Are Probably the Most Sought of Any Today.

The Victor Records of this famous tenor are truly "John McCormack" himself. The concert records, and, in fact, a repertoire of about 100 selections, concert, ballad, etc., may be had in our Victrola Rooms any time.

Make it a point to get the habit of visiting these rooms, like other musicians and lovers of harmony. The new April Records are released now, and include McCormack, Caruso, Elman, Gluck and many others, besides band and orchestra renditions. Familiarize yourself with them.

A beautiful instrument, musically, architecturally and in finish, blending in with the rest

AMERICANS ON BOARD OF LOST BRITISH BARK

Bengairn Sunk by Submarine Part of Crew Is Picked Up.

LONDON, April 4 .- Llyods reports that the British bark Bengairn has crew were picked up. It is stated that the vessel was not armed.

SEATTLE, Wash., April 4 .- There were two Americans in the crew of thirteen in the British bark Bengairn, sunk by a submarine. The Bengairn sailed from Seattle December 10 for Queenstown for orders, with a cargo

of wheat valued at \$135,000. The vessel, which was owned by J.

and K. Rae Liverpool, was valued a: \$100,000.
Shortly before the Bengairn was due to sail twenty members of the crew who had come here with the vessel quit because the ship was to return through the war zone, and they feared she would be torpedoed. The thirteen men signed here were employed to replace the strikers. place the strikers.

The two Americans in the crew were

Eugene Simmonds, eighteen years old. of Everett. Wash., who signed as cabin boy, and C Helper, a seaman, thirty-two years old, of Columbia, Fails, Mont.

WIRELESS TO HAVE TEST,

Big Navy Plant at Arlington Being

The big navy wireless at Arlington s being tuned up for new transatlantic tests with stations in Spain in a week or ten days. The tests will be made at the request of the Spanish govern-

An improved refined wireless receiver, the invention of a prominent Spanish scientist, will be tried at several stations in Spain. Both day and night tests will be made, American officials hoping they will result in more extensive use of wireless in the daytime, now seldom practicable. Capt. Bullard of the navy wireless

service stated today that the department planned to equip several more vessels of the Atlantic fleet with wire-less telephony apparatus upon the fleet's return from Guantanamo, where experiments are being had with the telephony instruments of four battle-ships now equipped.
